Stories

1939: ***My Long Lost Cousin*** as told by Florence Jane Gofton

It was 1939 and I was in the 4th grade. I had to walk a mile to school because in the old days we didn't have buses. We had to take our lunch and after we ate, we could go out on the playground. While I was out there I saw a girl sitting under a tree. I found out that she had stepped on a needle and it broke off in her foot.

We exchanged names and I told her that my last name was 'McCreight'. Her name was Leone Phillips. She said that was her aunt's name. The aunt (Mary McCreight) lived with them. Leone's mother was Mary's sister. Leone and I were in different 4th grade rooms, but we became very good friends and I stood up in her wedding and kept in touch until she passed away with cancer.

We both went home and told our parents and my folks invited them to dinner. Years before my Grandfather had a falling out with his brothers over a bank deal and consequently my [Dad](#) never met his aunts, uncles or cousins. These two ladies were my Dad's first cousins and they all went to DuBois, PA to meet Major McCreight and some of the family. Needless to say Dad did spend more time with Major's family over the years.

1990: ***Trip to the White House*** as told by Shawn Hamill McCreight

[Aunt Flo](#), [Uncle Bob](#) and I met in Washington D.C. for the retirement of her cousin. He got us into the the press briefing room, and the Situation Room at the White House.

January 2019: ***First Annual Michigan Snowmobile Trip*** as told by Shawn Hamill McCreight

[Clay](#) and [Craig](#) arranged the first annual McCreight-Johnson sledding trip to the Johnson cabin. The conditions were perfect, and a great time was had by all. [Tom](#) was there to enjoy the snow as well.
